Disclaimer of Liability

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The crew members of a boat are entirely responsible for their own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.

It is for the crew members of the boat to decide whether the boat is fit to sail in the conditions in which they will find themselves. By launching, the crew members of the boat confirm that the boat is fit for those conditions and the crew members are competent to sail and compete in them.

Nothing done by the organizers can reduce the responsibility of the crew members of the boat nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the crew members and the boat taking part in the racing. The organizers encompass everyone helping to run the race and the event, and include the organizing authority, the race committee, the race officer, patrol boats and beach masters.

The provision of patrol boats does not relieve the crew members of the boat of their responsibilities.
