

Camping List

Please check the list below.

If you are not on the list and want camping let me know

If you are on the list and do not need camping let me know

Arrival date is approx and we accept may change – you do not need to let me know, your pitch will be waiting.

We cannot accommodate every bodies exact requests to be next to somebody (they may not want to be next to you!), but we are aware that some are sharing facilities – if it is essential that you are next to one another let me know and let whoever is on ‘camping reception’ know when the first member of the group arrives on site.

There is no guarantee of power although we hope to be able to offer some battery charging facility at limited times (shared sockets and long leads) – please do not request this.

Overseas Pitches. – it would be helpful if you could let me know if these are still needed as we are only working on original list.

On arrival pull into the camping field (see arrival document) where between the hours of 9am – 8pm you will be met by ‘camping reception’ and given your pitch. Outside these hours call Joe Franks on 07930 860932 when turning off the A614 and he will arrange for somebody to meet you. Between the hours of midnight and 0700am please just pull into bottom of field and wait until morning.

Any amendments please send to Barry – dart18fixtures@gmail.com
